8. Kirkland & Ellis has advised and represented the Debtors in connection with the operation of their businesses and other matters arising in the performance of their duties as a debtors-in-possession. Furthermore, K&E has prepared various pleadings, motions and other papers submitted to this Court for consideration, has appeared before this Court during hearings regarding these cases and has performed various other professional services that are described in this Application.

**Actual and Necessary Expenses**

33. It is K&E's policy to charge its clients in all areas of practice for identifiable non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is K&E's policy to charge its clients only the amount actually incurred by K&E in connection with such items. Examples of such expenses are postage, overnight mail, courier delivery, transportation, overtime expenses, computer assisted legal research, photocopying, out-going facsimile transmissions, airfare, meals, and lodging. With respect to airfare expenses, all travel, by all individuals, is billed at the coach class rate with allowances for class upgrades.

34. Kirkland & Ellis charges: (a) \$0.10 per page for duplication and (b) \$0.75 per page for outgoing telecopier transmissions (plus related toll charges). Kirkland & Ellis does not charge its clients for incoming telecopier transmissions. K&E has negotiated a discounted rate for Westlaw computer assisted legal research, which is approximately \$125/hour of online use of the standard Westlaw databases. Computer assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer-based legal research) techniques.

35. A summary of expenses by type, as well as a detailed itemization and description of the disbursements made by K&E on the Debtors' behalf during the Fee Period is attached hereto as Exhibit B. All of these disbursements comprise the requested sum for K&E's out-of-pocket expenses, totaling \$27,276.95. These disbursements are grouped in Exhibit B into the same numbered and titled categories of Subject Matters as the fees are grouped in Exhibit A. The numbered tabs within Exhibit B correspond to the numbers assigned to the matters described in Paragraphs 12-32 herein. Any missing Subject Matters merely indicate that no expenses were attributed to such Subject Matters during the Fee Period, although expenses may be attributable to such Subject Matters in the future. A summary of expenses by category for the entire Fee Period is also set forth in Exhibit B.

36. K&E believes that the Application is in compliance with the requirements of Del.Bankr.LR 2016-2.

37. Kirkland & Ellis performed the services for which it is seeking compensation on behalf of or for the Debtors and their estates, and not on behalf of any committee, creditor or other person.

38. Except to the extent of the advance payment retainers paid to K&E as described in the Original Affidavit, K&E has received no payment and no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with these Chapter 11 Cases.

39. Pursuant to Fed. R. Bank. P. 2016(b), K&E has not shared, nor has agreed to share, (a) any compensation it has received or may receive with another party or person other than with the partners, counsel and associates of K&E or (b) any compensation another person or party has received or may receive in connection with the Chapter 11 Cases.

40. Although every effort has been made to include all fees and expenses from the Fee Period in the Application, some fees and expenses from the Fee Period might not be included in the Application due to accounting and processing delays. Kirkland & Ellis reserves the right to make further application to the Court for allowance of fees and expenses for the Fee Period not included herein.
